

**ADOPT-A-CLUB**  
**INFORMATION FORM**  
*Recipient Club*

The *Adopt-A-Club* program allows clubs who are struggling financially to be “adopted” by other, more affluent clubs. Clubs that are financially successful often look for worthwhile service projects to which their extra, reserve dollars might be directed. We can think of no better way to satisfy the needs and desires of both clubs than to encourage the *Adopt-A-Club* program.

By creating opportunities for clubs to support a portion of a club’s expenses for one year, like providing SHINE *brightly* and/or *Sparkle* magazine subscriptions and/or other curriculum materials for girls, dues, or offerings, two great things happen. Girls experience the joy of knowing that they are helping other girls get to know Jesus. The Adopt-A-Club program is still one more way for Girls Everywhere to Meet the Savior!
