

# VI BELLA + GEMS

## Pop-up Shops

Make a global impact while raising funds for your group! Each purchase provides life-changing employment in Haiti and Mexico. It's a win-win-win!

Meet Smanchina, a daughter of a Vi Bella artisan. Since her mom, Marie Marthe, started working steadily with Vi Bella, life is better. Smanchina's mom can provide for her family. A Vi Bella school sponsorship program covers school fees. Smanchina gets a good education and her Mom has meaningful employment to care for her family.
