

PRAYER GUIDE FOR BLACK HISTORY MONTH

February is a special month when we can honor all of the African Americans and Black Canadian men and women who are working to make the world a better place. We want to cover this month in prayer, and ask God to bless the hard work these honorable people are doing. Check out the prayer guide below to help you pray this month!

PRAY FOR OUR LEADERS.

- Pray for the African Americans and Black Canadians who are leading others. Pray they will have wisdom and will love God.
- Pray that all of our leaders will be kind and respectful. Pray they will lead by example for treating everyone fairly.
- Thank God for those who have paved the way to lead us to where we are today.
- Pray against unfair treatment of African Americans and Black Canadians by our leaders.

PRAY FOR OUR SCHOOLS.

- Pray for teachers who will be honest about slavery and racism. Pray they will be fair in the lessons they teach.
- Pray for African American and Black Canadian authors and teachers to be fairly included in the classroom.
- Pray for kids to stand up against those who think they are better than others. Pray that all kids will treat each other with fairness and respect.

PRAY FOR OUR GIRLS.

- Pray that girls around the world will enjoy all of the beautiful people God created. Pray they will not treat one race as better than another.
- Pray for the girls who are not treated well because of their skin color, and ask God to bring them justice.
- Pray for the African American and Black Canadian girls who will someday be leaders and teachers. Pray they will share God's love with others and will show what it means to be treated fairly.
