OUR GIRLS WERE MADE FOR MORE.
YOU ARE MADE FOR MORE.
LET'S SHOW THEM.

The statistics about today's girls are sobering. Reports show 6 in 10 girls believe that for girls to succeed they have to look and act a certain way. Girls are putting their mental and physical health at risk. Currently, 70% of girls wish the media did not define them by unattainable standards, but on who they are.

Those may be the stats, but GEMS Girls' Clubs knows the facts. **God made our girls for more!** Girls are deeply loved by God and have so much to offer the world. We are committed to providing a safe and welcoming place for girls to learn that they are LOVED by God and empowering them to change the world.

Through linking arms with GEMS Girls' Clubs, you invest in the life of God's girls. By joining in our mission, you can expand your business' reach to our audience of prominent business people and other influential people.

Will you help us show girls they were Made for More?
